

2024 Breakfast Meeting Series: From Conversations to Solutions

Sponsorship Opportunities

Miami Homes For All is proud to launch our 2024 breakfast meeting series, where we will team up with residents, practitioners, and stakeholders to share insights and gain perspective on the most timely, pressing, and intersectional housing solutions of the day.

The programming includes a two-pronged approach. Each quarter, Miami Homes For All and partners will host a resident engagement meeting, providing a forum in which information will be shared on housing needs, concerns, and timely solutions. We will then summarize this discussion and meeting results to share at a housing stakeholder breakfast, where a panel of experts will discuss best-in-class solutions to today's housing concerns. Each breakfast will cover housing and an intersecting issue, starting with sea level rise. The series is intended to bridge the gap not only between issues that are inter-related but also between residents and decision-makers. Ultimately, this series will propel implementation of the most effective solutions that address the real experiences of residents with housing struggles.

This series will build on the success of our 2023 Housing and Health Summit, which brought together elite experts from across the country with the most effective local community organizations to consider best-in-class solutions to both housing and health needs. In 2024, we are poised to continue breaking down silos and aligning our efforts with partners that address the needs of our community.

By joining us as a sponsor, your organization will be recognized as a prominent supporter of Miami's efforts to establish a working partnership between residents, their representatives, and key stakeholders. This work will be documented through three surveys, one executive summary and six events throughout 2024.

If you are interested in becoming a sponsor or would like further details, please reach out to Daniela Roger, Communications Manager at Miami Homes For All, at daniela@miamihomesforall.org. Your support can truly make a difference in advancing housing security for our entire Miami-Dade community.
