-----------------------------------------------	-------------

Weather Conditions: Clear, high in the Low 80s

* These numbers reflect the conversion of 165 beds from Emergency Shelter Beds to Transitional Beds.

** This number reflects a difference of 242 (fewer) beds occupied on the date of the count as compared to the previous year summer count. This reduction is attributable to some vacancies, but a large number is attributable to beds out of service during the count date (Inn Transition South (103 beds) - 28 out of the 32 Units were under repair/renovation and remaining four vacant units were pending placements); Harbor House reported having 50 fewer beds due to loss of funding.
