## Helping Our Miami-Dade Youth - Resource Guide

### Miami-Dade County Homeless Trust

Founded in 1993, the Miami-Dade County Homeless Trust organizes and directs the Miami-Dade County Homeless Plan, administers proceeds of a 1 percent food and beverage tax dedicated to homelessness, and serves in an advisory capacity to the Miami-Dade County board of County Commissioners on issues involving homelessness. The Trust's 27-member volunteer board includes representation from the business, religious, educational, provider and civic community, along with formerly homeless individuals. For more information regarding the Miami-Dade County Homeless Trust, please visit [www.homelesstrust.org](http://www.homelesstrust.org).

### Miami-Dade County Homeless Trust Youth Homelessness Working Group

Created in 2016, the Homeless Trust Youth Homelessness Working Group is composed of key subject-matter experts in the areas of homelessness, behavioral healthcare, employment, education, and youth and family services. The Working Group collaborates with the Miami-Dade community and The "Helping Our Miami-Dade Youth" Collective to develop policies and procedures to implement a unified, collaborative response to prevent and end youth homelessness in Miami-Dade.

### The "Helping Our Miami-Dade Youth" Collective

The "Helping Our Miami-Dade Youth" Collective is a collaborative of over 60 organizations and youth leaders working to prevent and end youth homelessness in Miami-Dade County. Our holistic, comprehensive approach focuses on addressing the core areas of Stable Housing, Education, Employment, Primary and Behavioral Healthcare, and Permanent Connections. The H.O.M.Y. Collective believes that no young person should spend a single night sleeping outdoors simply because they do not have access to safe housing. Our work is driven by the shared goal of ensuring that youth homelessness is rare, brief, and when it does occur, a one-time experience. Through its partner organizations, The "Helping Our Miami-Dade Youth" Collective provides support and services to youth and young adults between the ages of 13-24 who are experiencing housing instability or in a vulnerable housing situation.

### Miami Homes For All

Miami Homes For All is a registered 501(c)(3) charitable organization whose mission is to promote community collaboration to prevent and end homelessness in South Florida. MHFA believes that housing is the foundation to achieving self-sufficiency, health, and community. Miami Homes For All initiated The "Helping Our Miami-Dade Youth" Collective, previously known as the Youth Homelessness Initiative, and serves as the backbone organization under the Collective Impact framework. For more information about Miami Homes For All, please visit [www.miamihomesforall.org](http://www.miamihomesforall.org) or call 786-469-2060.

### Miami-Dade County Public Schools Project UP-START

Project UP-START seeks to ensure a successful educational experience for homeless children and youth in South Florida by collaborating with parents, schools, and community through opening the doors to academic opportunities, removing barriers, and promoting a healthy sense of self with home for a bright tomorrow.
