# YWCA SOUTH FLORIDA

is on a mission to  
eliminate racism,  
empower women and  
promote peace,  
justice, freedom and  
dignity for all.

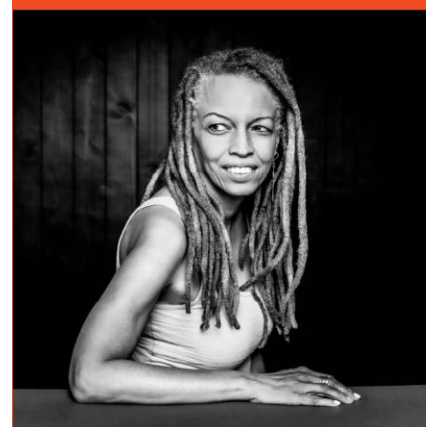

# YWCA WAS FIRST IN SOUTH FLORIDA TO:

- House the families of servicemen, in the 1940s
- Provide childcare to first responders and residents in tent cities after Hurricane Andrew, in the 1990s
- Bring the race that became Komen Race for the Cure to South Florida
- Put afterschool programs in schools, and early education centers in low- to moderate-income communities
- Open a public park in Overtown
- Keep kids out of courtrooms as survivors advocate for themselves through our 6 Court Care/KidSpace centers in Miami-Dade and Broward.
